

RE: Enthusiastic and Hard-Working Customer Adaptation Designer

Dear Team,

In my pursuit of new creative endeavors, I was excited to find the Customer Adaptation Designer opportunity with Mack Truck. As a progressive professional with my experience, I believe that I can bring valuable contributions to your team.

My philosophy is that introducing fresh perspectives and new techniques allow businesses to evolve and grow. Similar to Mack Truck, my goal is to remain on the cutting-edge of advancements. Formerly in my software, technical and application support role, my successes have stemmed from essential skills, including Programming and designing software.

I have enhanced my problem-solving abilities and cultivated a reputation as a major contributor through teamwork and critical thinking. I am a collaborative team player who is always searching for opportunities to impart valuable insights. With these qualities, I am able to facilitate positive change and impacting outcomes.

My educational background has given me a solid understanding . And my on-the-job training has given me the opportunity to explore designing software like Creo, Sketchup, CAD models. I am eager to apply my training as Customer Adaptation Designer for Mack Truck.

When reviewing my resume, you might notice a gap in employment. My absence is due to me taking time to care for my children. My child-rearing experience has enhanced my talents in leadership, teamwork, determination, and prioritization as I managed multiple schedules, trained others, enforced rules and provided around-the-clock care. I am now settled and prepared to get back into the workforce.

For a greater presentation of my background and qualifications, please review my attached resume. I am eager to speak with you and greatly appreciate your consideration.

Sincerely,
TAMILSELVI MATHESAN
